EXPERIENCE

Full Stack Web Developer (Intern)

Mar 2023-Present

Ceatus Media Group, Remote

- Added UI features to internal tools, for example sorting indicators on table headers, hover tooltips for project descriptions, clickable routing to project pages, etc.
- Updated styles to maintain consistency across the internal applications, following design directives

Full Stack Web Development Student

Nov 2022-Mar 2023

LEARN Academy, Remote

- Gained experience in working with multiple front and back-end languages and created full-stack applications through the implementation of Test Driven Development
- Completed over 480 hours of coding experience using individual and pair-programming

Assistant Instructor

Jan 2023-Mar 2023

LEARN Academy, Remote

- Assisted in teaching Jumpstart, a 3-day bootcamp for prospective LEARN students focused around HTML, CSS, and fundamental JavaScript
- Successfully and effectively instructed students on creating a fully coded website

Contract Specialist

Sept 2022-Nov 2022

MD7, San Diego, CA

- Interpreted and handled highly sensitive financial and legal documents
- Discussed with 8-12 landlords and property management companies a day in order to resolve rent related issues

Campaign Organizer

Mar 2022-Oct 2022

Berkeley Unified School District Board of Education Campaign, Berkeley, CA

- Managed social media (Twitter, Instagram, FaceBook) to promote campaign resulting in many daily engagers and supporters
- Engaged with stakeholders/community members at public events
- Learned structures and strategies of a campaign and applying material through organizing events and canvassing

Legal Assistant (Intern)

Nov 2021-Apr 2022

Argumedo Garzon Law Group, San Francisco, CA

- Analyzed court motions in law office and at San Francisco Immigration Court
- Assisted head attorneys in preparation for court hearings and client meetings through research and paperwork
- Familiarized myself with the complexities of relationships among immigration attorneys, clients, and court
